

CSCL Dears

Oh the year is 2021
(How I Wish I was in O'Leary now)
They're building a home for us to live
The prettiest structure I've ever seen

Chorus
Give them a call
I was told we'll cruise the halls and
never be cold.
We'll be with friends - our sweet
dears...
And I'll be happy near all my peers
It will be my Home in the next few
years

The wind is high and my supper is
cold
(How I wish I was in O' Leary now)
I'll sit by the window and read my
book
With staff all around I won't have to
cook.

Chorus

Where I live now the days are long
(How I Wish I was in O'Leary now)
Over there ... we 'll hear stories and
songs
And we'll play rook the whole day
long.

Chorus

I Dropped my meds got all mixed up
(How I Wish I was in O'Leary now)
At my new home they'll sort it out
And I'll be better there's no doubt

Chorus

Oh the Home does not yet have a
name
(How I Wish I was in O'Leary now)
Any help is welcome that you can
give
'Cause I'll sleep better if I know
where I live

Chorus

Funds are needed to see this through
(How I Wish I was in O'Leary now)
I've given some money and my kids
have too.
But more is needed from me and
you.

Chorus
