

Community Seniors Co-operative Ltd.
Expression of Interest Form

CSCL is creating a list of individuals who may be interested in learning more about, or living in, a newly completed community care residence - planned opening in mid-2022.

Why Express Interest in Living in this Residence?

To support CSCL’s funding and mortgage applications we must show there are community members wishing to live in this residence. One way to do this is by signing up to be on a list of potential residents. By signing up to this list you will be contacted as soon as formal applications are available. This list is open to anyone who may wish to move to this residence when it is completed. Being on the list does not guarantee you a room when you may need one. You also can refuse a room, if offered, and still remain on the list for a future room.

Please check off all that apply:

- Add to mailing list to keep informed of project updates
- I am interested in becoming a member (Include \$10 payable to Community Seniors Co-operative Ltd. for the purchase of one co-op share)
- I am interested in being added to a waiting list for the planned community care residence in O’Leary *

* I understand that I am not guaranteed a room and that this list will be used to provide me a formal application when they become available.

*Admission to community care remains the choice of the resident – declining a room offer does not remove you from the waiting list.

Name		Signature	
Mailing Address			
Community, Province		Postal Code	
Telephone Number		Alternate Telephone	
Email Address			
Alternate Contact Person (Optional)		Telephone	

When complete please return to:
